INTRODUCTION

This Sport Booklet has been developed to provide an insight into the current structure of co-curricular sport at Loreto Normanhurst. There is a constant review of the co-curricular sports program at the school. As a result of this review there may be minor changes to the information included in this booklet. All changes and updated information will be published on the online Sport Portal, in the weekly School Newsletter, specific Sports Booklets and on the Sports Noticeboard in the gym.

Loreto Normanhurst is a member of the Association Heads of Independent Schools (AHIGS) - Independent Girls School Sports Association (IGSSA) and as such competes in the IGSSA Saturday morning competition and annual championships. Loreto also takes part in district competitions for netball and tennis and also participates in a variety of invitation events hosted by local and other IGSSA member schools. Loreto Normanhurst may participate in additional sports and competitions not listed in this booklet. Information on these sports and competitions will be provided at that time.

Please note:
- Co-curricular Saturday Sport is compulsory for Boarders Year 7 – Year 10
- Loreto Normanhurst Sport is not compulsory for Day Girls Year 7 – Year 10 however we encourage all girls to participate in sport, whether it be in the Loreto co-curricular sports program or for an outside club of their choice, for their own benefit

GENERAL INFORMATION

NOMINATION FORMS
Each term, students will be expected to complete a Sport Nomination Form on the Sports Portal for the sport they wish to participate in the following term or an Activity Nomination Form for the activity they wish to participate in.

Sports Nominations close at the end of Week 2 for Saturday Sports of the term prior to competition.

Activity Nominations close at the end of term for the Activities in the following Term.

Students are only able to participate in one IGSSA Sport each term. Students participating in a district competition (e.g. HDNA Netball) may also be able to participate in an IGSSA sport in the same term depending on playing times. Please consult the Sports staff for more information.

All students are asked to please consider their selection carefully. Team numbers are entered based on the responses received. Teams are significantly affected if people withdraw or change their preference.

**NOMINATIONS WILL NOT BE ACCEPTED AFTER THE CLOSING DATE AND THE STUDENT WILL BE UNABLE TO PLAY THEIR CHOSEN SPORT UNLESS THERE ARE VACANT POSITIONS IN A TEAM.**

COMMITMENT

*Players are expected to attend all training sessions and games.*

All teams are entered with a minimum number of bench players to ensure that all girls receive fair and sufficient playing time and to ensure that teams are not usually short of players. Non-attendance at training will affect your daughter’s skill development and the team in their ability to practise team work. At games, a team may incur a forfeit if the Sports Department is unaware of a student’s absence.

If a student is unable to attend training or a game for any valid reason (illness, important function) they are required to advise the Sports Department (in writing or via a parental phone call) in advance or as soon as possible. Every effort must also be made to inform the coach or team manager. If a boarder wishes to go home on a particular weekend, it is requested that parents organise to pick up their daughter after her Saturday morning Sport commitments.

Players who will miss a match may be required to find a potential substitute (contact Sports Co-ordinator).

Any student who does not attend a training session or game and fails to inform the appropriate staff will be asked by email to explain their absence. Further absences will generate a request to parents to explain the absence. Continued unexcused
absences from Sport may result in non-acceptance of nominations for future terms of sport.

**TEAM GRADING/SELECTION TRIALS**

All students nominating to participate in an IGSSA or District Association sport must attend the team grading trials. The purpose of these trials is to grade the girls to ensure they are placed into a team with players of similar ability. All players are placed in a team subject to attending trials. The trials also assist the Sports Staff in deciding which competition grade the team should be nominated for. Dates for trials will be placed on the School Sports Portal and emailed to students.

Girls who fail to attend trials and do not notify the relevant Sports Co-ordinator will not be placed in a team.

**GAMES**

Saturday morning games are usually held between 8.00am and 12.00noon for all IGSSA Sports. Playing time for District competitions vary throughout the day. IGSSA Athletics is a Friday night competition.

All students are required to be at the venue at least 30 minutes prior to the game for signing on and warm up. This applies to both Boarders and Day students, no excuses!

**TRANSPORT**

Saturday morning games for all IGSSA Sports are played at various venues in the Sydney Metropolitan area. The specific venues for each sport are listed when draws are circulated. Day parents are asked to assist where possible with the transport of boarders to and from venues.

*Any boarder requiring transport to a venue, and unable to organise arrangements with a day student, must place their name on the sign-up sheet at Boarder Reception by the Wednesday afternoon before the game – including Frensham matches.*

Players who sign up for bus transport must follow through on their commitment to travel on the bus. Boarders must organise appropriate leave through the Boarding School if they are not returning on the bus.

**TRAINING**

For all Saturday morning IGSSA Sports and district competitions, skill training sessions are held once a week between 6.30am and 8.00am or 3.30pm and 4.30pm or 5.00pm depending on the sport. In wet weather, girls participating in outdoor sports will be required to attend modified training in the gym if space permits. Notifications of training changes (movement or cancellation) will be posted on the Sports Portal or appropriate Sports Noticeboard and emailed to all students.

Training for individual Sport varies and is outlined under each sport later in this booklet.
FITNESS CENTRE & FITNESS TRAINING

The school has a fully equipped Fitness Centre including various weight machines and aerobic equipment. The Fitness Centre is open to all students when appropriate supervision is available. You do not have to be involved in a school sport to attend fitness sessions. Opening times can be found at the Fitness Centre and on the Sports Noticeboard. All sessions are supervised by a qualified fitness trainer.

COST

Registration costs for all IGSSA Sports are advised in the Sports Booklet and on the on-line Nomination Form. All costs will be charged to your school account.

UNIFORM

All students participating must wear the correct sports uniform as specified for that sport or they will not be permitted to take part in the game. They must also travel to and from games in the appropriate travelling uniform (playing uniform or school track suit).

Most items are available from the Uniform Shop.

Those successful in making the Senior 1st and Junior 1st team for their sport will be expected to hire the unique 1st’s uniform (i.e. singlet, dress, shirt) from the Uniform Shop for the duration of the term.

Any loan item not returned will be charged to your account.

Casual attire and boarder clothing (shorts, jersey) are not permitted.

EQUIPMENT

Equipment will vary for each sport however each player must have and use their own water bottle (not share water bottles) and carry their own sunscreen (if appropriate). Use of mouthguards is recommended in all sports and compulsory in some. Specific equipment is found in sport specific booklets.

In order to participate fully in training and games players must come fully prepared with all necessary equipment.

COACHES

Loreto teams will be provided with knowledgeable and competent coaches to the extent of our ability to attract such coaches. Anyone interested in coaching should approach the Sports Department. Qualified coaches are always sought. Contact the Sports Department if you know of any interested coaches.

PARENT OFFICIALS

Please consider nominating for team manager, scorer or coach. Our sport cannot be run without your support. Please contact the Sports Department if interested or complete the parent assistance section of the nomination form. Managers’ duties usually revolve around assisting the coach and scoring. The Sports Staff will endeavour to appoint managers when appropriate.

All parent officials are volunteers and subject to “Working with Children” legislation.
**SATURDAY BBQ**
Loreto Normanhurst runs a very successful BBQ each Saturday. Funds raised from this go directly back into resources for your daughter’s sport. Teams will be rostered on a duty weekend and girls will be advised of when their BBQ duty is. Parents are required to donate some of their time to the running of the BBQ during the allotted duty period. The duty period is generally while your daughters’ team is playing. Besides raising funds and offering hospitality to visiting schools, helping on the BBQ is a great way for parents to meet and network with other parents.

**SPORTS CAPTAIN**
Sports Captains are selected by the Sports Staff. They are responsible for
- preparing any required reports
- assisting Co-ordinator in organising the sport
- promote spectators for semis & finals
- bringing player issues to the notice of Sport staff
- a point of call for students issues in the sport
- presenting awards at end of term Pizza Presentation Lunch

**WET WEATHER**
To find out if play at any IGSSA venue is called off check the IGSSA Website or SMS your keyword to 199 25465. Messages cost 55c per message sent. Your keyword is the name of the sport and the first initial of the venue. For example, playing Netball at Cumberland, TEXT ‘netball’. A return SMS will be sent to your phone that gives you the status of your venue - open or closed. A message will also be recorded on the IGSSA Web page. Coaches and/or Sports Staff will not contact players. It is the responsibility of the players to check for their game.

*Wet Weather SMS System: 199 25465

Decisions are made for the whole morning. If a game has not been cancelled, all players must go to their venue where a decision will then be made concerning play.

For sports participating in district competitions and invitational competitions, information concerning wet weather procedures is posted on the Sport Portal and will be included in the Individual Sport Draw distributed at the start of each season. (Hills District Netball & Loreto Touch Football)

**AWARDS & RECOGNITION**
The criteria for Sports Awards are posted on the Sport Portal each year.

**SPORT INCLUSION CRITERIA**
The criteria for including a sport within our program are limited by resources (staff, facilities and time). The decision as to which sports are offered is based on the Sport Inclusion Criteria and determined by IGSSA and Loreto Normanhurst Sports Staff.
**PARENT SPORT COMMITTEE**
The Parent Sport Committee acts as a reference group on matters relating to sport at Loreto Normanhurst. There is usually 1 delegate per sport. Membership is based on invitation. If you would like to join the committee please contact the Sport Staff. The Committee meets once per Term.

**COMMUNICATION & INFORMATION DISTRIBUTION**
Due to the nature of sport there is always the possibility of late changes and a constant need to communicate information to players. It is important that students and parents are familiar with the different modes of information distribution.

SUMMARY OF SPORTING CODE OF CONDUCT

Loreto Normanhurst has adopted the IGSSA Code of Conduct – We ask all girls, parents and coaches to read it, and we expect all girls, spectators and coaches at sporting events to abide by it. A full copy is available from the IGSSA Web site (links from the School Sports Portal and the School Web site. All players nominating for a sport can only do so if they agree to abide by the code.

PRINCIPLES OF CODE OF CONDUCT

- Participation fosters social, emotional, personal and physical development
- Participation should be enjoyable.
- Sport must not damage or endanger a school’s reputation or the relationships between schools.
- The game’s outcome is relatively unimportant compared to how the game is played.

GIRLS/PLAYERS CODE OF CONDUCT

- Honour your commitment to participate whole-heartedly.
- Respect and treat members of your team and the opposition courteously.
- Treat everybody the way you would like to be treated.
- Be ready to begin your game or event at the scheduled time.
- Always be dressed in the correct uniform.
- Never discourage or disparage any player.
- Never argue with an umpire, referee, judge, time-keeper or other official. Your team captain or coach may politely ask an official to explain a ruling or action at an appropriate break during or after the game.
- Be prepared to applaud good play, regardless of who it is.
- Control your temper. Never abuse equipment, use offensive language, or deliberately foul or provoke an opponent.
- Always demonstrate good sporting behaviour.
- After a game thank your opponents and the officials.

PARENTS

- Girls should be allowed to enjoy their sport, make their mistakes and learn from them. Encourage their participation.
- Accept decisions of officials. Follow guidelines set out for coaches and players.
- Respect your daughter’s opponents.
- Benefits of playing sport are available to girls whether they win or lose. Winning is less important and valuable than the benefits of participating.
- There are considerable logistical problems and difficulties involved in organising these large sporting competitions. Your patience and understanding is requested.
Players are reminded that the umpire is in full control of the game at all times. Girls must respect this and are NEVER TO ARGUE with the umpire. If a query is to be made of the umpire, this must be performed in a proper polite manner. In extreme cases, coaches can ask the Convenor to observe the match.
