Loreto Normanhurst uniform donations to support our drought impacted families

Loreto Normanhurst is proudly a boarding school of approximately 85% country boarders. Not all are farmers, but we understand the impact of the drought on our land, and in particular, what it means for the families who are reliant on the rain that provides the sustenance for all.

Loreto Normanhurst is dedicated to supporting our boarding community and we seek the generosity of our whole community to donate pre-loved uniforms, including sport uniforms, to the school with proceeds from donated items going to drought impacted families.

Members of the community who would like to donate pre-loved uniforms can drop their items to the Development Stand at the Spring Fair this Sunday 3 November. Please ensure all items are clean and in good pre-loved condition, without any tears, stains or marks.

We thank our community for their generous donations. It is when we come together as a community that the real spirit of our school shines through.
