*Remembering  
the past*

## Remembering the past

When Mother Gonzaga Barry arrived at the possible site for a school at Normanhurst, the sun burst through the clouds and formed a beautiful rainbow over the estate. For Mother Gonzaga Barry, this was the sign of the 'perfect site' for a school that would educate generations of young women.

From 1897 when the first students arrived at Loreto Normanhurst, to the present day, the values at the heart of a Mary Ward inspired Loreto education still thrive. A Loreto Normanhurst student gains a love of learning and grows to appreciate the ideals of a Catholic education which is founded on the values of freedom, justice, sincerity, truth and joy.

*Loreto schools offer a Catholic education which liberates, empowers and motivates students to use their individual gifts with confidence, creativity and generosity in loving and responsible service.*

Loreto Schools of Australia Mission Statement

Loreto Normanhurst provides a dynamic and holistic education in which students are challenged to develop their capacity for self reflection as they engage in the learning process.

We are all proud of this school – it has a wonderful tradition of providing a well rounded education within a community blessed with the vision, courage and commitment of the Loreto sisters, staff and supportive families. We work daily on growing individuals and communities.

## Securing the future

A bequest is the ultimate gift. A way of expressing the affection you have for Loreto Normanhurst and a way of giving back.

What would you be prepared to give to enable a student the opportunity of a bursary or a scholarship at Loreto?

How can you help the preservation and care of our heritage buildings so the next generation of students can experience a Loreto education with all its richness?

If you are considering a lasting gift please let us know so we can thank you personally and discuss a suitable project which will reflect your life-long interest in Loreto Normanhurst.

## Considering a bequest

Bequests can be made in a variety of ways to reflect a donor's wishes. They can be defined personal assets such as bonds, property, fixed sums or a percentage of an estate.

When considering a bequest you may wish to discuss your ideas with Loreto's Fundraising Manager especially if you prefer to tailor your gift to a particular purpose such as bursary, scholarship or building. We encourage you to involve your family in your decision to make a lasting gift to Loreto Normanhurst.

Furthermore we recommend that you consult with your solicitor before finalising arrangements to ensure they are appropriate for your personal wishes and circumstances.

Suggested wording for unconditional gifts or gifts to establish a scholarship or bursary can be requested from the Fundraising Manager on (02) 9473 7386 or by returning the attached form.

If you have already made a Will you may simply add a codicil to include Loreto Normanhurst – a straight forward and inexpensive procedure.
